In the mood to shop? To the south you'll find Downtown Barrie brimming with unexpected finds and eateries. To the north, Downtown Orillia is home to more than 150 unique stores, not to mention fine restaurants and its very own opera house. Feeling lucky? Try your hand at Blackjack; Casino Rama is just a short drive away.

The surrounding area is also packed with kid-friendly activities. Think pumpkin patches, summer camp, horseback riding, snowboarding lessons, beaches, a water park, and let's not forget the Elmvale Jungle Zoo for lions and tigers and zebras, oh my!

An aerial photograph showing two cyclists riding on a dirt path that winds through a vast, green field. The cyclist in the foreground is wearing a bright red shirt, while the one further ahead is in darker clothing. The path is light brown and shows some tire tracks. The surrounding field is lush and green, with some variations in shade suggesting different types of grass or vegetation. The overall scene conveys a sense of outdoor activity and health.

**AROUND HERE  
LIFE HAS IT'S UPS  
AND DOWNS**

Not a big skier? No problem. There's more to Horseshoe Valley than skiing and snowboarding.

Go cross-country mountain biking, check out Ontario's longest snow-tubing hill, explore winter's wonderland on a fat bike, or go off-roading on an ATV. Alternatively, enjoy a round of golf on a tree-lined fairway, hit the volleyball courts, take the family treetop trekking, or make new friends by participating in a game of shinny.

---

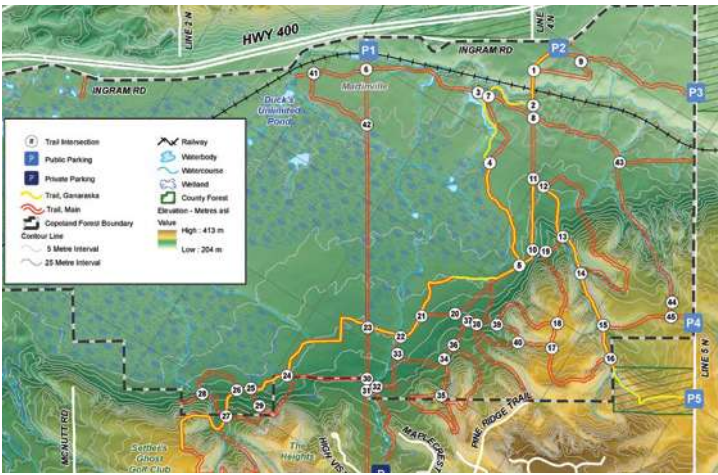

If there's one thing you can count on at Horseshoe Valley, it's building up a healthy appetite. Whether you find yourself in the mood for fine dining, casual pub fare, high-end bar snacks, family pizza night, or a mid-afternoon pick-me-up in the form of something sweet, the valley has you covered.

**CRAIGHURST**

Owned by the Ministry of Natural Resources and Forests, Copeland Forest is a beautifully maintained nature-lover's paradise. From snow sports and horseback riding to cycling, hunting, and fishing, play the day away in a safe and socially responsible manner.

Come for the golf. Stay for the hospitality. Located on Horseshoe Valley Road, Settlers Ghost Golf Club offers a par-72, 18-hole links-style course. Play a round of golf, take a private lesson, or enjoy the club's stunning views while sipping your favourite beverage on the restaurant patio.

Put your busy life on pause and immerse yourself in an experience unlike any other. In keeping with age-old tradition, Vetta Nordic Spa guides you through an authentic, Finnish hydrotherapy cycle of heat, cold, and relaxation. Elevate your visit with a massage. Enjoy a fine dining experience in blissful solitude or with friends.

Blending new with old, historic Craighurst maintains its historic roots without compromise to lifestyle. Founded in the 1930s, this charming town meets modern-day needs like groceries, toiletries, and locally grown food as easily as it meets modern-day indulgences like restaurants, spas, and handmade chocolate truffles.
